

Meet: **Greenfield – Macclesfield walk**

Date: 20th October 2018

Coordinator: Andy Towne

Contact: 07979 504644 / andytowne@me.com

Summary: The re-introduction of a fine Western Moorland foot traverse first reported in the club journals in April 1951

Start: Departing at **0745** from Greenfield train station (SD991046) allowing connection from all the usual major Northern stations (via Piccadilly departing 0717)

Finish: Macclesfield station (SJ918736). Trains return out to the provinces from Macclesfield around 2130

Distance: 35.6 miles (provisional) with 6,310 feet ascent

Pace: 3.0 - 3.5 mph

Details: Up the Chew Valley to meet the Pennine Way at Laddow Rocks, following it onward over Bleaklow, Snake Summit and Mill Hill before heading down William Clough to Tunstead
Continuing onwards to Coombs Reservoir via Chinley Churn and Eccles Pike before heading over Windgather to Lamaload and onwards to arrive for a well earned pint in Macclesfield at the Waters Green Tavern

Refreshments: Tea and cake will be waiting at The Chalet (SK053867), with the open-house kindly offered by Andy Howie

Joining/drop points: The route presents several opportunities for people to join (or retire) to enjoy an abbreviated version of the day including at Snake Summit; Tunstead; Chinley; south of Whaley Bridge (see timings below)
Please let me know if you are planning to join en route so I can coordinate with you on the day

Route: GPX file of provisional route is available on request

Kit considerations: The outing will finish in the dark so please bring a headtorch
