

**THE RUCKSACK CLUB
HIGH MOSS IN THE DUDDON VALLEY**

INFORMATION FOR VISITORS

High Moss is at Grid Reference SD237967
The Postal Address is HIGH MOSS. SEATHWAITE.
BROUGHTON IN FURNESS. CUMBRIA. LA20 6EE

To reach the hut drive through Seathwaite and approximately 600 yards after the Newfield Inn turn right at a signpost for Turner Hall Farm.

In 100 yards a junction is reached.

The main track to the right goes to Turner Hall Farmyard.

Continue straight on through the gate. After some 100 yards the track swings right into an area that is used by the farm for parking of farm equipment and storage. The route to HIGH MOSS is to the left through a farm gate and across the field. A second gate is passed and High Moss is at the end of the track.

There is Car Parking within the grounds. Please park sensibly.

On Arrival. Familiarise everyone with the fire exits.

Please sign in to the hut register.

Signing in is now a condition of our insurance. If you are not signed in you are not insured.

DOGS ARE NOT ALLOWED INSIDE HIGH MOSS.

ACCOMODATION

There are four shower / toilet / wash hand basin cubicles.

There is a downstairs toilet with a wash hand basin.

CAMPING

There is room for tents in the grounds. Campers pay the same fees.

FACILITIES.

KITCHEN

Well equipped with two electric cookers. There is a large commercial gas cooker.
The gas supply is outside the kitchen and usually the gas has to be turned on.
There are two microwave ovens.
The kitchen has plenty of pots and pans and kitchen utensils.
There are electric toasters and kettles.
There are two fridges, one in the kitchen and a large one in the dining area.
There is a freezer.
Tea towels are available in the drawers closest to the larder area and used towels should be placed in the "dirty" basket.
Bin Liners are also in the drawers near the larder area.
Liquid Soap and other cleaning materials are provided.

ELECTRIC WATER HEATING.

Water Heating is controlled by a timer switch in the drying room.
The solid fuel stove in the dining room also heats the water.

DRYING ROOM

There are fan heaters on a timer and a dehumidifier.

CLEANING EQUIPMENT

Brushes, Mops, Buckets, Vacs etc. are in the cupboard in the drying room.

HEATING

The heating is a combination of coal / woodburning stoves and electric storage radiators.

COAL BUNKERS

The Coal storage is at the rear of High Moss and are usually accessed through the woodshed.

WOODSHED

The woodshed is set up with a bench and vice and is also for bike storage.

MOBILE PHONE COVERAGE.

Mobile phones do not work at High Moss.
The nearest guaranteed reception is at Duddon Bridge.
